Reckson, EPA Sign MOU on Environmental Initiatives

John Barnes, Senior Vice President, Reckson, a Division of SL Green; George Pavlou, Deputy Regional Administrator EPA Region 2; and Jason Black, Director of Architecture and Sustainability, Reckson, a Division of SL Green.

Reckson, a Division of SL Green Realty Corp., and the U.S. Environmental Protection Agency (EPA) agreed formally to reduce the environmental impact of Reckson-owned and managed properties by signing a Memo of Understanding (MOU) at Reckson's 360 Hamilton Avenue in White Plains, NY.

According to the MOU, among the various goals that Reckson will continue to develop are promoting and developing its energy efficiency program; completing the Energy Star Benchmarking process within its entire suburban portfolio; considering onsite renewable energy opportunities; pursuing LEED Certifications; improving recycling; and reducing water consumption.
