

1185 Sixth Avenue

WiredScore fact sheet

Connectivity isn't a nice to have, it's a requirement

That's why 1185 Sixth Avenue has worked with WiredScore to measure, improve and certify its digital connectivity.

WiredScore is the world's only internationally recognized digital connectivity rating scheme. 1185 Sixth Avenue has been awarded a WiredScore Platinum rating for its outstanding digital connectivity!

WiredScore
PLATINUM

What does this mean?

Connectivity

Five or more high-speed internet providers are available (fiber or fixed wireless) giving tenants options at a competitive rate.

Fiber connectivity is ready to deliver high-speed internet to tenants.

There is fiber fully distributed across the building for at least one provider to provide tenants with faster installation time and minimum disruption.

tenant connectivity services.

There is spare capacity at the building points of entry to enable faster installation times and minimum disruption for new internet service providers.

There is capacity available throughout at least one riser to enable faster installations of new connectivity services.

There is space available in the telecommunication room(s) to accommodate new internet service providers, enabling faster installation times.

Infrastructure

The space allocated for service provider equipment is secured and dedicated to improve data security and reduce risks of accidental damage.

There are diverse points of entry on different sides of the building and diverse internal routes to telecommunications room(s) or riser(s), to prevent single points of failure.

Risers benefit from a full physical diversity to increase resiliency of

Access Readiness

There are signed access agreements available with all internet service providers to speed up installation and offer full transparency to tenants.

There is a standardized access agreement on file to expedite future installations of internet service providers.

There is a tenant connectivity guide available to assist tenants in getting connected faster.
